

Name of service/organisation:

Children's Therapy, Calderdale and Huddersfield NHS Foundation Trust.

Description:

The team is made up of Physiotherapists, Occupational Therapists and Speech and Language Therapists. We offer packages of care that are decided by the needs of the individual child and family. We would aim to set joint goals with the family and the child and may work to optimise the child's environment rather than with the child. Referrals to our team may come from other professionals, or families can refer themselves directly by contacting the number below.

Client group intended for:

We work with babies, children and young people who have physical, independence, or communication difficulties. The child must either live or attend school in the Huddersfield area.
