

Name of service/organisation:

7th Huddersfield Clayton West Scouts

Description:

Youth activities - games, development, archery, kayaking, canoeing etc.

Client group intended for:

Beavers 5.5 - 9 years, Cubs 8 - 10.5, Scouts 10.5 - 14, Explorers 14 - 18 (we are open to all abilities and will mix disabled children with able bodied children. If special needs assistance is required we will do our best to meet that need by seeking volunteers and or funding to enable inclusion).

Some of our activity team have previously worked with disabled young people kayaking and canoeing. Those wishing to join us will be joining the Scout movement and will be offered a wide range of activities. Our experience suggests that certainly in the older age ranges - Scouts and Explorers, we can be much more inclusive than many parents imagine. There will be areas where it will be unrealistic to expect full participation, but we will always do our best to find ways of including everyone in most aspects of our activity.

(We are in the process of applying for planning to extend our facilities to provide disabled access and toilets.)
