

Name of service/organisation:

# Dark Horse Theatre Company (formally Full Body & The Voice)

**Description:**

Dark Horse is a national touring theatre company which premieres new writing. An ensemble of learning disabled actors feature in our productions and exceptional non learning disabled actors from the broader industry are regularly cast in our tours. Dark Horse is also a leading vocational trainer of actors with learning disabilities and develops skills at the highest level in preparation for work in theatre, TV and film.

Alongside productions Dark Horse offers process workshops for all age groups, and work with young people in all kinds of theatrical, educational and social settings.
