

Name of service/organisation:

Huddersfield Sports Centre Climbing Wall

Description:

Rock Monkeys: Rock climbing for children with learning difficulties/additional needs. Climbing works so well because:

- It encourages physical co-ordination and balance
- It increases confidence and self-esteem
- It is an individual activity – and can therefore be assessed at any ability level – but at the same time requires the support of others, encouraging teamwork and co-operation
- It's great fun!

*“Rock Monkeys is the only activity my daughter Hannah takes part in where she is treated as equal”
Lynn Stead.*

Rock Monkeys climbing courses run Thursdays 4.30, 5.30 and 6.30 in term time only. To book, or for further information, phone Huddersfield Sports Centre (below).

Client group intended for:

Children with learning difficulties/additional aged 6 and over.

Phone number: 01484 223630 (option3).
