

Name of service/organisation:

Carers Trust (formerly Princess Royal Trust for Carers)

Description:

Carers Trust is a new charity which was formed by the merger of The Princess Royal Trust for Carers and Crossroads Care in April 2012.

Carers Trust works to improve support, services and recognition for anyone living with the challenges of caring, unpaid, for a family member or friend who is ill, frail, disabled or has mental health or addiction problems. With our Network Partners, we aim to ensure that information, advice and practical support are available to all carers across the UK.

What do we do?

Together with our Network Partners, we provide access to desperately-needed breaks, information and advice, education, training and employment opportunities. Our Network Partners benefit from the provision of grants, advice documents and reports to improve carers' services.

We give carers and young carers avenues to speak to someone and make their voices heard, offline via our carers' services and young carers' schemes and online via our interactive websites (see <http://www.carers.org/carers-chat>).
