

Name of service/organisation:

Crossroads Care in Mid Yorkshire

Description: Crossroads Care in Mid Yorkshire is a major provider of direct support for carers in Huddersfield, Dewsbury and Wakefield with further services being developed in South Leeds and Calderdale.

We provide a range of high quality support services for carers and the people they look after, no matter what age they are or what type of illness or disability they have. **Crossroads Care in Mid Yorkshire** presently works with over 500 families who have caring responsibilities. We have trained staff who provide regular breaks to reduce the stress on carers and to give them peace of mind.

Children's Services

We provide one-to-one home based care in the home, to give parents/carers a break from their caring responsibilities. Our staff will take over your role and carry out any care tasks that you would normally do and provide activities and stimulation suitable for your child which they may need and enjoy.

Outside the home

We also provide one-to-one care outside the home, helping children with disabilities to access activities in the community which may develop and enhance their skills, abilities and confidence.

Children's Day Centre

We operate a Children's Day Centre facility in Dalton, Huddersfield every Saturday.

The Centre operates from a purpose built building at Oxfield Court in Dalton, Huddersfield. It has excellent facilities including, a large activity room with a ball pool, a music room and a sensory room with a waterbed. We hold 3 hour sessions in the morning and in the afternoon for children who are 0 – 16 years of age.

Some of our services are available on a self-referral basis – please contact us for information.

Intended client group: Carers are our client group. They can be carers of any age, caring for someone of any age, (both children and adults), with any type of illness or disability.

Phone number: 01484 537036 (9am – 4pm)
