

Name of service/organisation:

Kirklees Family Information Directory

Description:

The Kirklees Family Information Directory provides web-based information on services and activities for families, children, young people and professionals. It includes information on and links to:

- holiday activities, clubs, groups, sport and play activities for children and young people
- services that can offer support and help on areas such as finance, health and disability
- information on children's centres, schools and parenting
- national and regional organisations that you might find useful

Client group intended for:

Parents or carers of children, professionals working with families, and children and young people

Email address: familydirectory@kirklees.gov.uk

Website: www.kirklees.gov.uk/fidy
