

Name of service/organisation:

Orchard View

Description:

Orchard View is a residential short break service for young disabled people. The service works with approximately 85 families in Kirklees. The home is fully equipped to meet the recreational needs of young people with a disability, included in this is a sensory room and sensory garden, complete with wheelchair swing. The outdoor area has a soft crumb play surface, climbing frame and a swing for able-bodied young people. The home has 2 separate units to enable the staff team to safely meet the varied needs of the young people who come to Orchard View.

Client group intended for: Children and Young people with a disability aged 7-17 yrs old.
