## **Integrated Youth Support Service**

IYSS is the name of the new service offering support, activities and opportunities for young people across Kirklees.

IYSS includes the former Young People's Service (YPS) who you may have worked with in the past.

In this booklet there is a variety of activities and opportunities that are available to young people locally and some larger events and activities that are Kirklees wide.

There are activities for those aged 8 to 12 and for those aged 13 plus. There are a variety of different things to get involved in from sports to crafts to youth clubs and much, much more so you can find something to suit your interests or try something new.

We hope you enjoy the summer holidays and we look forward to seeing you at as many activities and events as possible, whether we have met you before or not.

## Important Information

- IYSS activities are usually open access which means that young people can attend as and when they wish.
- Every effort is made to watch over children and young people - they are asked to inform staff when they wish to leave activities - open access schemes allow young people to attend freely. Parents/carers can help make sure children and young people co operate with staff.
- Parents and guardians still have ultimate responsibility for the whereabouts or behaviour of their children. If you have queries about your child's attendance or behaviour, please speak to the supervisor on site.
- Sessions are held at various settings. Some have very good facilities and are easily accessed while others may be held in a park, play area, multi-court or recreation field. If you have any questions about shelter, access or toilet facilities please contact us.
- Supervision levels on these schemes can be as low as 1 to 30. Should any individuals require more care please discuss with the session lead, or contact us.
- Any young person taking part in these activities is covered by Kirklees Council's third party Liability Insurance.
- For more information, please contact the Integrated Youth Support Service: 01484 225285

**Please note:** All IYSS programmes need children and young people to "register"– this is not complicated and is free. Just complete the registration form in this booklet and bring it along to your first session.
