

Summer activities for children with a disability and their families

Summer activities for children with a disability and their families

Kirklees Council's Integrated Youth Support Service and Children with a Disability Service have joined forces to arrange opportunities for disabled children to access exciting holiday activities this summer.

Please see below some of the great opportunities on offer all of which are free to attend.

The information in this booklet was correct at the time of printing, however please check with individual providers before setting off to attend any activity.

As activities can be very popular please ring as soon as possible to avoid disappointment; all activity providers welcome phone calls from parents and carers to discuss if the activity is right for their child.

To ensure activity providers have all the information they need about your child why not get a Passport to Fun.

To find out more and get a copy, please contact:

Children with a Disability Service:

Telephone: 01924 326438
